Principal Message

Greetings!

Join me in a walk down memory lane . . . when not so very long ago you were freshmen and I was the new principal. Four years has changed a lot, hasn't it? You are now seniors embarking on adulthood- and have before you challenges, adventures, and the vast unknown called 'growing up.'

This book that is so treasured now for capturing who you are at this moment will be one of your most valuable connections to your high school in the years to come. You will re-read signatures, laugh at fashions gone-by, and marvel at the youthful promise contained herein.

It has been my pleasure to be your principal for three and one-half years. I am a little sad to know that I missed senioritis, spring fever, prom preparations, graduation and all the drama and trauma that goes with the final semester of senior year. I sure hope you shared it all with Mr. McFall!

Best,

John Sanville

Wow!

What an honor to be writing this as the new Principal of Marple Newtown High School. I am thrilled and honored to assume this new role. I am excited by what the future brings for you as well as for me.

Once you have gone, we will do our absolute best to ensure that Marple Newtown maintains the high standards that you have worked so hard to establish. You have "raised the bar" and it is now our job to carry on this great tiger tradition.

I hope that the past four years has been filled with many memories and that you look back over the years and laugh and smile as you relive your high school days.

While I thank Mr. Sanville for his wish that you share your drama and trauma with me during the spring of your senior year I'd rather think that we were in it together and that I enjoyed it as much as you.

So good luck, have fun, and remember to stop back and visit from time to time.

Ray McFall

Ana Casells
 Ana Casells, our beautiful little daughter...
 Has grown up to be the most special little woman in our lives. When she was just a tiny coco bean I asked her to never grow up...
 But like all beautiful flowers, she bloomed and filled our souls with herself.
 Ana surrounds and completes our lives beyond any words we can express.
 Now she is graduating from High School... That can't be true... is it?
 The whole world is going to be hers now to make a better place
 And she will, I know she will.
 Even if she doesn't always listen to us.
 Simply by being Ana, our daughter.

Silvio Navarro
Dear Silvio, Silvio, Sil, Silver, Buddy Ho They say that a picture is worth a thousand words. If we could hear your voice at the time of this photo you sounded a lot like Donald Duck. You even walked like him a little. (We are glad that you grew out of both of those characteristics). The traits that have remained and strengthened are the ones that draw people to you. You have a very tender heart, are thoughtful and sensitive. When you were very young you loved to dance, sing and make music. Your first guitar was plastic and you still thought you were cool. You made friends easily and loved your family. You were our biggest risk taker Sil, you have taken all the things that have come your way and turned them into something that has made you even more unique and beautiful. So keep it up, keep smiling and enjoying life. We are always here for you with our love.

SENIOR CLASS OFFICERS OF 2008

Hello Class of 2008,

Wow, where to begin? It seems as if the first day of freshman year was just last week. Let me start off by saying thank you to the Class of 2008, for the past four years it has been and honor and a privilege to be elected your class President, and I will walk away from this with many lessons learned. I would like to thank Katie, Jamie, Will and past officers for their dedication and support, without them my job would have been impossible. To our class advisors Mr. Harris and Ms. Roessner, thank you for your guidance and advice.

I would also like to say thank you to everyone who gave their time, ideas and participation in class functions, you are the solid foundation of our class. In the years to come remember this simple but powerful quote from one of the America's most well known presidents, Theodore Roosevelt, he said "Speak softly, and carry a big stick; you will go far." Do not settle for anything but the best, keep pushing yourself and do not let anything hold you back. Go out there and change the world, and when the time comes remember, "VOTE ALTIERI!"

Sincerely Yours,

Leonard B. Altieri III

Leonard B. Altieri III
President

Dear Class of 2008,

"What would you attempt to do if you knew you could not fail?" When we were just starting school, our biggest expectation for ourselves was to earn a high school diploma. Well, we made it. We did not fail . . . And we had a lot of fun along the way. Our class has had some great pep rallies, proms, and spirit weeks. It is bittersweet to think that it is all over. I really loved being your secretary for the last four years. Thanks for being a supportive, positive class and making everything a success.

To the other officers, we had some stressful, but fun times. I think it is safe to say that we made a perfect team. Thank you for making these last four years a blast. Mr. Harris and Ms. Roessner, thank you for supporting us in every step of the way and guiding us in learning to become leaders. Selling fan gear at the football games, planning our proms, and designing the spirit wear were times to remember. I will definitely miss everyone. Thanks again!

Jamie Wozniak

Jamie Wozniak

Secretary

Shakespeare once said that it is not in the stars to hold our destiny, but in ourselves. Our journey through the halls of Marple has taught us that we are the leading power in controlling our future. Our days here have flown by so quickly that I often look back and wonder where the time has gone. This chapter of our lives is winding down, and a new chapter is ready to begin, rich with new opportunities and adventures. We may not be able to see how our fate plays out but we know that when we look back at our high school career, it was filled with wonderful moments and memories.

To the Class of 2008— I cannot thank you enough for three great years as your class vice president. Each and every one of you has taught me something special, and I will take your wisdom with me wherever I go in life. You have all provided me with a stepping stone that will propel me through whatever may come my way.

To my fellow class officers Will, Leonard, and Jamie, I thank you all for the three most amazing years. Our teamwork and passion for our class have created a bond that will always be dear to my heart. Without the three of you my time here at Marple would have been incomplete. In my eyes you are all role models, and I cherish and appreciate everything you have given me. I know the bond we have created will last for years to come.

So, my fellow classmates, I can't believe our time to leave is quickly approaching. Our leap into the real world will be here before we know it. Take the time to enjoy everything life has to offer you for the duration of the school year, for you may never get another chance to relive these moments. The past four years have been a great success, and you all should be proud of the time you have spent. Live life to the fullest, and enjoy everything life has to offer. Just remember, it is you who has the power to control your destiny. Cross the threshold into the real world with all your passions and dreams.

Forewell the class of 2008, and may your future be filled with love, happiness, adventure, and peace!

Love always your class Vice President

Katie Berardinucci

Katie Berardinucci

To the class of 2008,

It has been an honor to be your Class Treasurer for the past four years. This senior class is truly a spectacular group of students that I am going to miss. I cannot believe that our time at Marple is now finished. It seems like yesterday that we entered high school as wide-eyed

freshmen, but now we are young adults ready to enter the real world. Each person has grown to become a unique individual and I know that each of you will be successful in your future endeavors. Our senior class has definitely left its mark at Marple and created a tough precedent to beat. The spirit that each one of you has is remarkable which is why it has been such a great experience to be your Class Treasurer.

As far as my fellow class officers, you have become family to me. I knew I could always depend on you and I valued your opinions. Each of your personalities created an environment in which planning for a major event seemed like a breeze. From our late-night phone calls to our impromptu after-school meetings, I have built lasting friendships with each of you. Leonard, you are a great leader and a pleasure to work with. You always had the good of the senior class in mind. Katie, your laugh could brighten up any meeting. You are a hard-worker and always willing to help. Jamie, I could depend on you for anything. Your enthusiasm for our senior class was undeniable. And for Mr. Harris and Ms. Roessner, thank you for your time and dedication. We could not have done it without you! Congratulations Class of 2008!

THE WAY WE WERE

Blast From The Past!

Finally senior year, this is the year we have been waiting for since first grade. We are no longer the little freshmen just learning how to get through high school. We are no longer awkward sophomores who think they know it all. We have survived junior year filled with nights of late studying for the SAT's. We are finally at the top of the school, the upperclassmen; we are now the ones that get to stand up and chant SENIORS, SENIORS! We are the black in the sea of orange, white, and gray cheering over the underclassmen at the pep rallies.

We have sat in class for more time than anyone wants to remember. It's finally time for us to say our goodbyes to our friends and teachers and begin a new chapter in our lives. It's finally time to throw our caps in the air, and get ready for our futures. Whatever high school brought to us we can all agree in these past four years we have grown and learned more about ourselves than ever before. Soon we shall be Marple Newtown Alumni Class of 2008!
